

# *Das Laternlein*

May 7, 2008

- **Teacher Appreciation Week:** We've all been enjoying the daily surprises during this week. Thank you!
- **Earth Day Work Party:** Thanks to everyone who worked so tirelessly to beautify our playground last Saturday. The event was an overwhelming success. Check out all the new additions to our playground the next time you are here.
- **Construction Has Begun:** As of today, the first of our construction projects has begun. A new library and upstairs storage space will hopefully be finished before the end of the school year. As soon as these two spaces are ready, we will need strong backs to move the libraries and storage materials upstairs to make way for our new indoor play space.
- **NW Film Festival:** Thanks to everyone who attended the premier of "Encounters at the End of the World". It was a fun movie to watch and I think we all came away learning something about the kind of people who are attracted to travel to the bottom of the earth.
- **Summer Camp:** Additional classes have been added to some of the Kindersommer camps (ages 3-6) and enrollment for the World Language Day camp (Grades 2-10) is in full swing. Enrollment forms are located in the lobby. For questions please contact Heidi G. [heidi.gatzke@gspdx.com](mailto:heidi.gatzke@gspdx.com)
- **Auction Photos:** Did you take pictures during our recent auction and are willing to share them? If so, please burn them to a CD or put them on a memory stick and give them to Sabine.
- **Volunteer of the Month:** Congratulations to the McIntyre family. Enjoy the parking spot!
