September 26, 2007

- ❖ **Oregon Benchmark Tests:** The results of the Oregon Benchmark Tests our (then) 3rd and 5th graders took in early spring have finally arrived. With more students than ever exceeding benchmarks they give us reason to be proud of the achievements of our students. Please look into your folders for more information. If you have any questions about your student's scores please don't hesitate to talk to the classroom teachers or Heike Schütz-Malinowski.
- ❖ **School supplies from Germany:** Thank you to all of you who responded to this call last week! With the help of all these volunteers our supply room will be very well stocked in the future! Please continue contacting Heike Schütz-Malinowski at heike.sm@gspdx.com if you or someone you know can bring something.
- ❖ **Gilkey International Middle School Question & Answer Session at GSP:** Please come and explore the possibilities of your child attending the Gilkey International Middle School (GIMS). Representatives from GIMS will be here at GSP on Thursday October 11th at 8:00 a.m. Bring all your questions.
- ❖ **\$crip** is due on or before Monday, 10/1. Please note that our distributed \$crip Calendar lists the wrong due-dates by being all Tuesdays. \$crip is always due on Mondays and you will receive a reminder/\$crip-news on Fridays the week before. We apologize for the confusion.
- ❖ **Special Olympics:** On Saturday October 6, 2007 Nike will host the Special Olympics Oregon Youth Games. If you weren't able to participate in the first games Nike hosted here at WHQ in June, this is your chance to partake in a great event and also give back to your community. Please contact <http://www.soor.org/youthgames> for more information.
