| Think & Talk | We want to take a journey back in time and take a look at castles in Germany in medieval times. How were they built? Who built castles and why? What rooms are in castles? | What was life like in a castle? Who lived in a castle? What kind of clothes did people wear back then? How did a castle kitchen function and look like? Where did the food come from? Who worked in a kitchen? | We take a look at knights. How did a knight become a knight? How did he dress? What did his day look like and what did he need? What animals were needed in a castle and what and how did people use them? | Have a great summer! |
