

Preschool Monthly Plan	<i>Carolin</i>	Unit 9	Weltreise	
	May-08		Traveling the world	
Weekly Topics	Ocean/Ozean	North America	Europe	Africa
Think & Talk	What animals do not live on land? We want to find out what lives in the ocean. There are not only fish in the ocean. How do these creatures live, what do they eat?	We travel to North America and take a look at the old days. How did the native Americans live? How did the pioneers get here and how did the frontiers live? What did the cowboys do and what are the tall tales?	We are going on a journey and fly to Europe. We look at a map and point at many different countries that we find in Europe. Europe is a continent. Every country is different. We take a look at buildings, food, animals, people, money and languages.	We find Africa on the map. We will take a look at how people live and what they do and eat. What kind of different animals live there and how different is the countryside from ours?
